Occupational Therapist III

\$4,013 monthly, including shortage differential

Located at the Hawaii State Hospital (HSH) in a beautiful setting in Kaneohe on the windward side of Oahu. HSH is Hawaii's only state psychiatric hospital and provides services based on psychosocial rehabilitation and the recovery model.

The Occupational Therapist will work as part of an interdisciplinary team serving adult individuals with severe mental illness, legal encumbrances, substance abuse problems, and frequently complex medical conditions.

Minimum Qualification Requirements

EDUCATION: A baccalaureate degree in occupational therapy from an occupational therapy education program approved at the time of graduation by the Accreditation Council for Occupational Therapy Education. In addition, applicants must have successfully completed the field work requirements prescribed by the degree-awarding school.

CERTIFICATION & REGISTRATION: In accordance with [Chapter 457G](#) of the Hawaii Revised Statutes, all applicants shall: 1) have passed the occupational therapist national certification examination administered by the National Board for Certification in Occupational Therapy; and 2) be registered with the State of Hawaii as an Occupational Therapist at the time of appointment.

EXPERIENCE: One (1) year of progressively responsible professional experience as an occupational therapist under medical supervision. The experience must have equipped the applicant with a full professional understanding of the theories, prevention, and treatment of disabilities by occupational therapy and their proper application by the use of activities which are appropriate to the patient's physical and psychological condition and utilizing appropriate manual and other physical skills. The experience must have been comparable to the II level in State service.

SUBSTITUTION OF EDUCATION FOR EXPERIENCE: Possession of a master's degree in occupational therapy from a college or university whose occupational therapy program has been approved by the Accreditation Council for Occupational Therapy Education may be substituted for the required experience.
